Share Your Ideas, Knowledge & Experience

Coal Prep invites you to submit your ideas for its 31st annual conference. Coal Prep gathers over 2,000 participants to Lexington, Kentucky each spring, including exhibitors offering the latest products and services designed to help improve your plant operations. As the only conference and exhibition serving the needs of the coal prep professional, Coal Prep remains the best industry source to see and learn about new products, technologies, and ideas.

The Coal Prep Workshops and Technical Sessions keep coal preparation professionals up-to-date on the latest industry trends and developments.
